HELLO MY NAME IS: SCOTTY LEE

Hipster wannabe 3+ years. Professional graphic artist 10+ years. Born and raised in the dynamic city of Calgary, graphic designing has given me an avenue for my creativity. Over the years I have developed the passion and the appreciation for the digital arts. I have fun creating exciting and new innovative designs whilst seeing what's trending in the world today. I'm a skillful craftsman but always eager to learn and generally an all around good guy.

From working with local to international businesses, I'd be more than happy to assist you in your graphic needs!

ABOUT
WHO DIS?

Scotty did an amazing job with our team's digital media. Would be happy to use him again for any future needs.

We've been going to Scotty for our print work for the past 3 years. He's great at what he does and he's super creative when implementing our ideas into reality.

What a beautiful human being. Seriously. I only wish I was half as beautiful as this man.
